

Dedicated to Excellence
THE GEORGIAN
LAKESIDE RESORT AND CONFERENCE CENTER
Carla Christopher - General Manager

Success Magazine: What can guests of the Georgian expect from their stay?

Carla Christopher: The “New Georgian” is all about relaxation. From offering our guests champagne during check-in in our newly renovated lobby to our luxurious new bed linens, we want our guests to feel pampered.

SM: What truly makes the Georgian a standout area resort and conference center?

CC: If our guests feel they want to leave the resort, we are just a short walk into the center of Lake George, and for those guests who never want to leave the resort during their stay, we offer everything right here—the beautiful beach, mountain views, breakfast, lunch, dinner, and late night snacks at Giovanna’s On The Lake, Italian Steakhouse.

SM: You have 158 rooms. How do the rooms vary to accommodate different needs and personal preferences?

CC: The Georgian Lakeside Resort’s accommodations are superior; they have been designed with comfort and relaxation in mind. We offer courtyard, poolside, and shoreline rooms along with honeymoon suites with large heart shaped Jacuzzis, beachfront demi suites, penthouse suites, and a presidential suite—all with Jacuzzi tubs.

SM: What amenities are included in each room?

CC: We have just installed flat screen TVs in all our rooms. We also have coffee makers, hair dryers, iron and board, refrigerators, and ample closet space.

SM: What new activities and amenities is the Georgian offering this year?

CC: New to the property this year is a fitness center, guest laundry room, and game room.

SM: You have recently opened the Italian steakhouse, Giovanna’s On The Lake. What can patrons expect from their dining experience at Giovanna’s?

CC: Patrons can expect a versatile selection from our new menu, value, affordable pricing, and excellent cuisine.

SM: What kind of menu has Executive Chef Mike Cerelli created?

CC: Chef Cerelli has blended the traditions of the past with the present by offering Italian cuisine along with a vast range of delicious meat, poultry, and seafood dishes in a contemporary and relaxed setting.

SM: What are the underlying principles that The Georgian strives to maintain?

CC: Our success depends on the service we deliver to our guests. We strive to provide gracious and professional service to ensure that our guests have a memorable experience.

SM: Why is The Georgian an ideal venue for meetings, conferences, or retreats?

CC: Whether you are planning a sales meeting, large conference or an executive retreat, The Georgian Lakeside Resort is the perfect destination. We offer our guests a chance to hold a meeting with a different twist. We offer comfortable

meeting rooms and state-of-the-art audio-visual equipment. Our professional conference staff will anticipate all your needs and make the planning of your meeting a simple task.

SM: How many conference guests are you able to accommodate?

CC: We can accommodate up to 300.

SM: How do you ensure that The Georgian maintains only the highest level of service?

CC: To maintain the high level of service and standards that our guests expect, we provide an excellent ongoing training and orientation program to all our staff.

SM: What one thing would you like our readers to know about The Georgian?

CC: The Georgian Lakeside Resort is dedicated to providing our guests with excellent service, beautiful accommodations, and delicious cuisine.
